

<Program>

- ◆ General Lectures: Outcome of the 2nd Mid-term Plan and Research Activities of the 3rd Mid-term Plan

Atsushi Yoshioka, General Director,
Planning and Research Administration Department

- ◆ Reports on the Results of the Priority Research Projects
"Research on Advancement of Maintenance Technology for Highway Structures"

Acting Director of CAESAR Tetsuro Kuwabara

"Development of Technologies to Reduce the Environmental Risks Caused
by Urban and/or Natural Pollution Sources"

Yuzuru Suzuki, Director, Materials and Resources Research Group, Tsukuba Central Research Institute

"Research on Efficient Construction and Redevelopment of
Dams Considering the Surrounding Environment"

Tomonori Abe, Director, Hydraulic Engineering Research Group, Tsukuba Central Research Institute

- ◆ Disaster Survey Reports
"Sediment Disaster by 2011 Typhoon Talas"

Nobutomo Osanai, Director, Erosion and Sediment Control Research Group, Tsukuba Central Research Institute

- ◆ Special Lecture
The Relationship Between Disasters and Japanese Identity

Koutarou Takemura, President of the Foundation for Riverfront Improvement and Restoration

- ◆ Response to the Great East Japan Earthquake
"Damage to Civil Engineering Structures by the Great East Japan Earthquake"

Keiichi Tamura, Research Coordinator for Earthquake Engineering, CAESAR
